REQUEST FOR CERTIFICATE OF CORRECTION OF OFFICE
MISTAKE UNDER 37 C.F.R. SECTION 1.322(b)

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

In accordance with the provisions of 37 C.F.R.
§ 1.322(b), the Patent Office is respectfully requested to
correct matters in the above-identified patent in
accordance with the Certificate of Correction Form PTO-1050
attached hereto.

Because a Certificate of Correction will still
leave the public unable to comprehend the corrections, the
Patent Office is requested to issue a corrected patent in
lieu thereof as a more appropriate form for certificate of
correction. However, if the Patent Office believes that a
Certificate of Correction is more appropriate, it is
requested to issue a Certificate of Correction on the
above-referenced Patent Document, and to place such a
Certificate of Correction in the file, so that such will

In re Patent of
CHAPMAN ET AL.
Patent No. 7,496,632 B2
Issued: February 24, 2009

appear on any copies of the patent which are ordered in the future.

The corrections being made are of consequence to provide the proper recitation in the spelling of the inventor's name. Several of the mistakes occurred in good faith and are not the fault of the Patent and Trademark Office. However, three printing errors of the Patent Office are also being corrected. No new matter is added by these corrections.

The requisite fee as set forth in 37 CFR § 1.20(a) in the amount of \$100.00 is being paid by credit card on EFS-Web. The Commissioner is authorized to charge or credit any discrepancies in fee amounts to Deposit Account 01-0484.

Respectfully submitted,

Michael W. Taylor
